

THE GREYHOUNDS

NEED

YOU!

Help us win the war to save them from suffering and slaughter!

- Commercial greyhound racing began in Britain in 1926.
- Since then, over a million “discarded” greyhounds have been put to death.
- Hundreds of thousands have been injured on dangerous tracks.
- Greyhound Action was formed in 1997 to stop the suffering and slaughter, by putting an end to the greyhound racing industry.
- Since our campaign began, about 20 British greyhound tracks have been forced to close, mostly due to poor attendances.
- Over a dozen proposed tracks have been prevented from opening.
- Greyhound racing has lost half a million race-goers in the last 5 years.
- 5,000 fewer greyhounds are being slaughtered annually in the British Isles.
- Our battle to save the greyhounds is gradually being won, but, sadly, over 25,000 are still being put to death every year in the UK and Ireland.
- Help us to achieve total victory, so they too can be spared.
- Help us to educate the public not to attend or bet on greyhound racing, so this evil industry fades away through lack of financial support.
- Most people in this country are fond of dogs and refuse to support greyhound racing, once they are aware of the plight of the greyhounds.
- Already our supporters are distributing Greyhound Action leaflets outside many of Britain’s major dog tracks and in city centres all over the country.
- We need more volunteers to join our army of leafletters and campaigners, to spread the “boycott greyhound racing” message far and wide.
- We need donations to help pay for the production and distribution of tens of thousands of leaflets and hundreds of posters – the “ammunition” we need to constantly supply to our “troops” in the “front line”.
- We are a voluntary organisation, so all money received goes to fund our campaign and none is spent on wages or expensive offices.
