

WHAT CAN YOU DO:

- 1:** Be a voice for the greyhounds. Act on their behalf.
- 2:** Do not support or attend greyhound racing in any country and never bet on a greyhound race.
- 3:** Contact us for petition forms and copies of our leaflets to distribute and also collect signatures for our petitions.
- 4:** If your workplace is planning to organise a social night at the dogs, educate your work-mates about the abuse and abandonment of dogs.
- 5:** If you know of any company sponsoring racing then please write them polite letters to inform them of the hidden side of this cruel entertainment.
- 6:** Write to local, national and international newspapers to express your disgust at the export and fate of greyhounds in the racing world.
- 7:** Tell as many people as possible about the reality of the greyhounds lives ... and deaths.
- 8:** If you have any information concerning greyhound cruelty please contact us.
- 9:** If you can offer a loving home to a dog please contact us.
